IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Este aviso contiene información muy importante sobre su agua potable. Para una copia en español, favor de llamar al sistema de agua 831-673-5508

La Honda Water System Date: 12/15/2025

BOIL WATER NOTICE

Boil Your Water Before Drinking or Food Preparation to Avoid Illness

Due to a leak repair, the State Water Resources Control Board, Division of Drinking Water, the County Health Department, and the Water System are advising customers to only use boiled tap water or bottled water for drinking and cooking purposes as a safety precaution to avoid stomach or intestinal illness.

We will inform you when tests show that water is safe to drink, and you no longer need to boil your water. We anticipate resolving the problem by **Date: 12/15/2025**

Areas affected: Alpine Rd, Pescadero Rd, Pope Rd, La Honda neighborhood, trailer park, and memory lane

If you have questions about other uses of tap water, such as bathing and dish washing, please call your water system or type this link into your browser to download and read this guidance: https://www.waterboards.ca.gov/drinking_water/certlic/drinkingwater/docs/2023/guidance-unsafe-water-notices.pdf

Do not drink the water without boiling it first

- Boil all water for one (1) minute (rolling boil).
- Let water cool before drinking.
- Use boiled or bottled water for drinking, brushing teeth, and food preparation until further notice.
- Boiling water kills bacteria and other organisms in the water.

If you are unable to boil your water:

Household unscented liquid bleach

- For clear water, use 8 drops (1/8 tsp.) of bleach for 1 gallon of water. For cloudy water, filter through a clean cloth and use 16 drops (1/4 tsp.) of bleach for 1 gallon of water.
- Mix well. Allow to stand for 30 minutes before using.
- Water may taste or smell like chlorine. This means disinfection has occurred.

Water disinfection tablets:

- Please follow the manufacturer's instructions.

For More Information

If you are concerned about your health or the health of a family member, contact your health care provider or California State Water Resources Control Board (916) 341-5300
